

# Macarthur Gas Pty Ltd

## Environmental Policy Statement

*All Macarthur Gas activities will be carried out as to protect the health and safety of employees, contractors customers and the community while paying proper regards to the protection of the environment.*

*Macarthur Gas is committed to the protection of the environment at its operations.*

*Macarthur Gas will endeavour to conduct its operations in a manner that is environmentally responsible and sustainable.*

*The primary goal of the policy and associated procedures is to assist in maintaining the highest environmental standards.*

*The objectives of the policy are to:*

*\*Meet or exceed all legal and regulatory requirements for environmental management and protection; and where these are lacking or insufficient to protect the environment, apply best practice standards which will ensure that the environment is protected.*

*\*Maintain an awareness within the Company of the responsibility of the Company and its employees/contractors to ensure protection of the environment.*

*\*Regularly review the Company's operations to identify and assess the environmental impact associated with those operations; and*

*\*Implement and maintain management systems, programmes and procedures to ensure the environment is protected including the control of discharge and other waste emissions, which may harm the environment.*

*Our commitment to the environment is as important as our commitment to other business objectives.*

*We will report on our environment performance at our management meetings.*

*Achieve Through  
Co-operation*

*Chris O'Keefe  
Managing Director*
