

# Macarthur Gas Pty Ltd

## Occupational Health & Safety Policy Statement

*Macarthur Gas Pty Ltd is committed to the healthy and safety of all employees. Our goal is to have injury free workplaces. The company will work to eliminate hazards, practices and behaviour that could cause accidents, injuries or illness to employees, contractors, visitors and the general public where applicable.*

*The primary goal of the policy is to assist in providing a safe and healthy environment for Macarthur Gas employees, contractors and visitors.*

*The objectives are to:*

- \*Comply with all relevant statutory obligations*
- \*Provide adequate resources to establish and maintain safe systems of work*
- \*Maintain health and safety competency*
- \*Continuously improve performance through innovative technology, education and good management practices*
- \*Employ only those contractors who aspire to the same health and safety standards as Macarthur Gas*
- \*Promote a positive health and safety culture which is based on the principle that all incidents can be prevented*

*All managers, supervisors and contractors are accountable for health and safety performance in their areas.*

*Our commitment to health and safety is as important as our commitment to other business objectives.*

*Achieve Through  
Co-operation*

*Chris O'Keefe  
Managing Director*
